Aloha Students, Need help in your current Math class or are enrolled in Math next semester? Need help sharpening your Math skills before you start Algebra 1, Geometry, or Algebra 2? The Lahainaluna Ho'okō Math Program is currently accepting participants in the tutoring program. The tutoring program is also currently accepting registration forms for students in need of support in their English classes as well. Request a tutoring registration form from your math teacher or see Ms. Abad in P8. Submit your form to Ms. Abad by lunch on the Monday before the Tuesday you are wanting to come in.

Tutoring sessions are held every Tuesday from 1:30 pm to 2:30 pm in Ms. Abad's classroom in P8. You will be paired with a peer tutor who will assist you with your work, will review challenging concepts you need more help understanding, and help you brush up on your skills. Snacks and beverages are also provided. One-day bus passes for the Maui Bus are provided for free for those needing transportation. This is a FREE program offered so take advantage of the opportunity! Feel free to reach out to Ms. Abad at michelle.abad@k12.hi.us with any questions.

Aloha Lahainaluna! We all know that health is the most important thing in our life. To assess the well-being of Lahainaluna High School Students, please fill out a survey generated by Lorraine Joyce Aguilar, a Health Capstone Student. The results of the survey will also help support her senior project's data. The survey is anonymous and please spare 2 to 3 minutes of your time to complete the survey. You can scan the QR Code and it will direct you to it. The link for the survey can also be found in your student email that was sent by Mister Shigaki. Thank you!

Attention all students: payments for school fees, bus pass, meal account, ID card payments, and other business with the office is only done during morning recess and lunch period; NOT before school or after school. Mahalo.
