### COVID-19 GUIDELINES

**BEFORE THE EVENT:** Students need to comply with DOE Covid-19 mandates which include providing proof of being fully vaccinated at time of purchase or a negative test result less than 48 hrs prior to the event, no exceptions. Expanded testing will occur the Thursday before prom (03/24) at our campus stadium and parents/legal guardians need to have signed up their child on alohaclear.com at least 48 hrs prior to testing day.

If you are required to get tested, your test results must be emailed to Ms. Abad ([michelle.abad@k12.hi.us](mailto:michelle.abad@k12.hi.us)) by Friday, March 25 at 12:00 PM. You must produce a negative test result to attend prom.

**DURING THE EVENT:** As this is a school-related event, we will follow the most up-to-date mandates coming from the State for prom. The most recent memo that came from the Superintendent is from March 11. Attached is the memo for your reference. As stated in the memo:

Indoor masking continues to be required by all students, staff, visitors and contracted service providers at schools, HIDOE facilities and in HIDOE buses and vans until further notice.

The HIDOE's indoor masking policy remains in place, apart from the state's overall indoor mask mandate, which will expire after March 25. The DOH still recommends indoor masking in schools, especially given the recent changes to in-school case investigations and close contact quarantine requirements. Please know that because our goal is to always prioritize in-person learning, we are cautiously adjusting our guidance to ensure as many students as possible can continue to stay in the classroom.

Students will be required to wear masks for this event. Students may briefly remove masks for photos or when eating and drinking at dinner service.

Please direct any Covid-19 related questions to your VP, Mr. Chris Webber.
