The Federal Impact Aid Survey for SY 2022-2023 was distributed to your student on September 7, Wednesday. Please complete and return by September 12, next Monday. Your Student will bring home the Federal Impact Aid Survey for SY 2022-2023. All parents/legal guardians should complete the survey, not just military parents. The federal government provides Impact Aid to partially reimburse school districts that have (a) lost tax revenues (income, sales, property tax) due to a federal presence, and (b) have incurred the cost of providing educational services to federally connected students. Impact Aid goes to local school districts, just like local property taxes, to hire teachers, purchase textbooks and computers, pay for utilities and more. Mahalo for your support!
