Free breakfast and lunch for students ends when we return to Lahainaluna. Even if a family completed the Free and reduced lunch application in July, they can update their application or submit another if their economic standing has changed.

If you and your family qualify under the McKinney-Vento Act and have completed those forms, you automatically qualify for FRL. It's not just free lunch. Students who qualify for Free and reduced lunch, also receive many academic benefits.

Families can complete the application at ezmealapp.com

Students, Please do not remove furniture from inside of buildings. The custodial staff are having to put chairs back up into the library main floor. If you have classes outside in the courtyard please do not leave furniture outside on the lawn. Mahalo!

Students, food should not be consumed in the library. They can have water, but anything else will get ground into the carpeting. If you see students eating their lunch in the library, please remind them that they take their lunch to the cafeteria or outside just like they would on our Lahainaluna campus.
